

For over 15 years the MAKO Foundation has been raising funds to enhance the education, safety and general welfare of Vista del Mar Elementary and Middle school students. In the last five years the foundation has deployed over \$850,000 of your donations to provide our teachers with the resources necessary for our students to receive a 21st century education. Without this critical funding, Vista del Mar students would not have a state of the art middle school technology lab, elementary school STEAM lab, state championship qualifying robotics program, access to individual computers in the classroom, or the elevated safety that comes with an electronic sign- in system for campus visitors and a campus wide security camera system. They also wouldn't have more traditional resources like a librarian and art and music programs . And our teacher's would not have received the advanced writing training that has translated into improved writing test scores for our students.

**We need your help to be able to continue this life changing work! If you are interested in providing a donation for the MAKO Masters silent auction, being an event sponsor, or golfing in the tournament, please contact McKenzie Law at [info@makofoundation.org](mailto:info@makofoundation.org) or at (714) 914-2844. Cash donations can be made online at [www.makofoundation.org](http://www.makofoundation.org). We cannot do it alone and hope you will take this opportunity to join us in helping the students of Vista del Mar.**
